rightnow MEDIA

In November, Celebration Church joined RightNow Media, the world's largest video streaming library of Bible study resources. And while there are thousands of options for adults, did you know there is a library just for our kids and students, too? Youth can find studies and devotionals perfect for their phase of life, and kids can find shows that teach them a Christ-centered message--screen time that we encourage!

If you haven't signed up for your free account, you can do so ~~Sunday~~ the QR code, or email jennifer@celebrationfamily.com if you did not receive an email from RightNow Media last week.
